PRINTING AND PHOTOGRAPHY DIVISION  
WEEKLY REPORT FOR PERIOD ENDING  
21 April - 27 April 1983I. Items or Events of Major Interest that have Occurred During the Preceding Week

A. Government Printing Office Meeting: On Wednesday, 20 April, a P&PD representative attended a GPO-JCP-OMB meeting at the GPO where the OMB government printing plant questionnaire was discussed. It was also announced that Title 44, under which the Government purchases printing, will be revised; but details were not made available at the meeting.

STAT

B. Copier Management Support: During the week of 25 April, a P&PD representative will meet with the OS/RMO and OS/LO to discuss the Office of Security's relocation to [REDACTED] in the fall of 1983. Four Xerox copiers will be involved in the relocation, and possibly, depending on locations and needs [REDACTED] some copier consolidation can be accomplished.
